Verse 1.

Your thoughts are deep waters that run through my soul

Your life giving promises making me whole

My heart knows you're faithful and true

My soul lives to praise only You

Chorus:

Lord lead me into deep praises

So I can reach the high places

Lord lead me into deep praises

I've been in the valley too long

Verse 2.

Your Word is Your court and Your court is Your Word

Spilling out wisdom like I've never heard

I know there's a much higher place

With fountains of mercy and grace

Repeat Chorus:

Verse 3.

Lord give me a song with a new place to start
A song I can sing that goes straight to your heart
I know that you've brought me this far
To show me how awesome you are

Repeat Chorus:

Bridge:

I stand and I knock at your door
My soul lives to praise You like never before

Repeat Chorus:
