All I gained from all you lost

Dying once to set me free

You opened the gates of righteousness and You let my praises in

Jesus Jesus all your love

Sent to me from up above

Given by the Father's hand

All a part of God's big plan

You opened the gates of Righteousness and You let my praises in

Yeah, You opened the gates of righteousness and let my praises in

Good Friday Good Good Friday

You opened the gates of righteousness and let my praises in

Jesus Jesus perfect lamb

Taking me just as I am

You gave yourself as sacrifice

You took my place and gave me life

You opened the gates of righteousness and You let my praises in

Jesus Jesus Lord and King

Because of You my spirit sings

I will lift my hands in praise

And worship You for all my days
