“Gracious Words, Timely Treasures”

M. Malouf (Wings Of Dawn Music Publ. Co. ASCAP)

J. Barranco (Lady Teresa Music Publ. Co. ASCAP)

Verse 1.

What can I do to live Your Word but by the way I walk

What can I do to live Your word but by the way I talk

With every single breath I take with all I have to give

Every moment I'm awake It's how I choose to live

Chorus:

Your gracious Words are like timely treasures

Stored in the vaults of my heart

Their precious worth is beyond all measure

Safe in the vaults of my heart

Verse 2.

What can I do to live Your Word but lay my idols down

What can I do to live Your Word but put aside my crown

I'm giving up and letting go of things that I hold dear

I'm walking through the storms of life and knowing that you're here

Repeat Chorus:

Bridge:

Your Word's a lamp unto my feet

The Bread Of Life You give to eat

(Guitar Solo)

I'm giving up and letting go of things that I hold dear

I'm walking through the storms of life and knowing that you're here

Repeat Chorus:
